Fall 2020 Planning

Our plan is to be open and on campus, fully aware and responsive to the health and safety of our community. We will regularly update this page with information about our planning for the 2020-21 Academic Year.

Services
kgray@cardigan.org

Dr. Ben Gardner
Medical Director
b.gardner@mascomahealth.org

CARDIGAN
MOUNTAIN SCHOOL

Campus Arrival Procedure

- Prior to Arrival:
  - Self quarantine for 14 days
  - Arrive with 1 family member (max 2) - CMS can pick up students traveling alone
  - Limit the amount of belongings you bring
  - Help your son prepare for his time away from home in the fall

- Registration Days:
  - 8/21 – All day students (quarantine at home, on-campus start date is testing dependent)
  - 8/24 - 9th grade boarding students
  - 8/25 - 8th grade boarding students (Group 1)
  - 8/26 - 8th grade boarding students (Group 2)
  - 8/27 - 6th and 7th grade boarding students

Campus Arrival Procedure

- Gather registration information prior to arrival
- CMS will pick up students at the airport as necessary
- Required testing for students at Mascoma Community Health Center upon arrival
  - 8 students per hour, 8:00AM-6:00PM (8:00AM-12:00PM for Day Students on the 21st)
  - If a student arrives with concerning symptoms, he will need to return home or go straight to on-campus care if home is not an option
  - We will collect student laptops during this process to prepare them for the year
  - Mascoma Community Health Center is located at 18 Roberts Road in Canaan, NH, at the intersection with Route 4.

- **Please complete the digital sign-up form to list your time preferences and submit other registration information: www.cardigan.org/fall-2020/arrival-form**

CARDIGAN MOUNTAIN SCHOOL

Registration and Moving In

- Registration process is testing dependent
  - Rapid test results → Open-air registration on the quad
  - No rapid results → Go from Mascoma to your dorm

- Everyone must wear a mask on campus and practice social distancing
- Follow the directions of staff so that we can ensure community safety
- We ask that families not rearrange dorm furniture, including beds, when moving in

CARDIGAN
MOUNTAIN SCHOOL

Opening Days

- Begin to focus on building safe spaces — families — in the dorms for our students
- We will educate the boys on ways to stay healthy while also fostering culture and community
- We will have a community read (*Stamped*) to involve our entire school in our diversity, equity, and inclusion work
- We are thrilled to have the boys back on campus, and we look forward to living the *Cardigan Way* with them

CARDIGAN MOUNTAIN SCHOOL

Questions?

- What if I need to drop off medicine?
- How will my son get his laundry, stored boxes, and packages to start the year?
- When can I review my son's academic schedule?
- When will I meet my son's advisor?
- When can I talk to my son after drop-off?
- How long do you think the initial quarantine will take?

CARDIGAN
MOUNTAIN SCHOOL

Thank You

- Thank you for your questions
- Thank you for your patience and understanding
- Thank you for your partnership
- Thank you for your trust
